\* Limited to those who earned their college degrees up to two years prior to the test date. Note that this table does not include summary information on approximately 57,432 examinees whose response to the department code question was invalid (misgrids, blanks, etc.) or the approximately 12,669 examinees whose response was "Undecided."

\*\* The interpretive information for the analytical writing section of the GRE General Test is preliminary. It is based only on examinees who tested between October 2002 and June 2003.

\* Limited to those who earned their college degrees up to two years prior to the test date. Note that this table does not include summary information on approximately 57,432 examinees whose response to the department code question was invalid (misgrids, blanks, etc.) or the approximately 12,669 examinees whose response was "Undecided."

\*\* The interpretive information for the analytical writing section of the GRE General Test is preliminary. It is based only on examinees who tested between October 2002 and June 2003.

## General Test Percentage Distribution of Scores Within Intended Broad Graduate Major Field Based on Seniors and Nonenrolled College Graduates

(Based on the performance of seniors and nonenrolled college graduates\* who tested between July 1, 2000, and June 30, 2003)

\* Limited to those who earned their college degrees up to two years prior to the test date. Note that this table does not include summary information on approximately 57,432 examinees whose response to the department code question was invalid (misgrids, blanks, etc.) or the approximately 12,669 examinees whose response was "Undecided."

\*\* The interpretive information for the analytical writing section of the GRE General Test is preliminary. It is based only on examinees who tested between October 2002 and June 2003.

## General Test Percentage Distribution of Scores Within Intended Broad Graduate Major Field Based on Seniors and Nonenrolled College Graduates

(Based on the performance of seniors and nonenrolled college graduates\* who tested between July 1, 2000, and June 30, 2003)

\* Limited to those who earned their college degrees up to two years prior to the test date. Note that this table does not include summary information on approximately 57,432 examinees whose response to the department code question was invalid (misgrids, blanks, etc.) or the approximately 12,669 examinees whose response was "Undecided."

\*\* The interpretive information for the analytical writing section of the GRE General Test is preliminary. It is based only on examinees who tested between October 2002 and June 2003.

## General Test Percentage Distribution of Scores Within Intended Broad Graduate Major Field Based on Seniors and Nonenrolled College Graduates

(Based on the performance of seniors and nonenrolled college graduates\* who tested between July 1, 2000, and June 30, 2003)

\* Limited to those who earned their college degrees up to two years prior to the test date. Note that this table does not include summary information on approximately 57,432 examinees whose response to the department code question was invalid (misgrids, blanks, etc.) or the approximately 12,669 examinees whose response was "Undecided."

\*\* The interpretive information for the analytical writing section of the GRE General Test is preliminary. It is based only on examinees who tested between October 2002 and June 2003.

## General Test Percentage Distribution of Scores Within Intended Broad Graduate Major Field Based on Seniors and Nonenrolled College Graduates

(Based on the performance of seniors and nonenrolled college graduates\* who tested between July 1, 2000, and June 30, 2003)

\* Limited to those who earned their college degrees up to two years prior to the test date. Note that this table does not include summary information on approximately 57,432 examinees whose response to the department code question was invalid (misgrids, blanks, etc.) or the approximately 12,669 examinees whose response was "Undecided."

\*\* The interpretive information for the analytical writing section of the GRE General Test is preliminary. It is based only on examinees who tested between October 2002 and June 2003.
